FROM THE DESK OF JOE COCONUT

June 2023 Issue No 2

Hey now humans. I'm so excited to see everyone at Hurricane Hannah's on July 13th, for the 2nd meetup. The bar opens at 11am and we will be hanging there all day, so stop by and say hi. I'll be sipping on a Titos with a banana twist. If you signed up for the meetup, be on the lookout for a separate email regarding dinner.

Great Eats

Some of the good eats The Man With The Backpack had this month.

The Man With The Backpack highly recommends these dishes. Mouth watering descriptions and where in "The World" to find them are on Instagram! Just click your favorite & check it out!

Haaaaaay! Grab a chair. Pop a squat. Let's Chat!

I absolutely LOVE seeing Joe go places. He is such a smart and curious little thing. He tends to cause a rumpus when it comes to bananas at Living With The Land or remaining seated and keeping his arms, legs, knees, tail and other appendages in his car at all times while on the "Highway In The Sky" (People Mover). He has even been spotted in Animal Kingdom trying to "hang" with some family members. (See photo in The Joe Coconut's Instagram) or click here: <https://www.instagram.com/p/CraoIfkOJh7/>

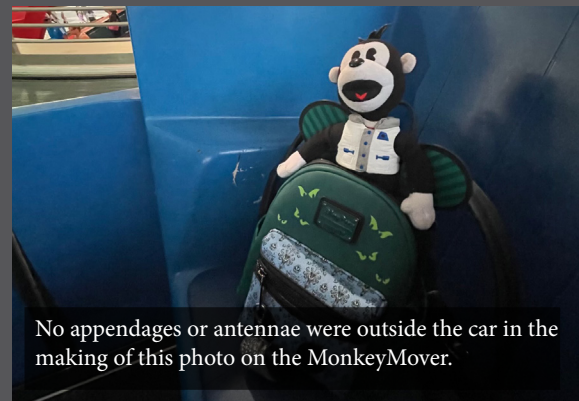

I have managed to keep up with some of his adventures recently thanks to Whiteink Rachel who gave me the permission to use these awesome photos and thanks to "Brick" for helping me with the captions. He has been a busy monkey!

...my spirit animal. Wonder if he likes pizza rolls?

Enjoying a cup of Me! Coffee and a Monkey: a bad combination.

No appendages or antennae were outside the car in the making of this photo on the MonkeyMover.

Taking after Uncle Yoey...enjoying this fruity cocktail, the Pimms Cup, from Rose & Crown in honor of Ellis (because it may or may not contain double shots of Sprite).

CALL TO ACTION: Please post your adventures with Joe in Instagram using #joeococonut and your pics might show up in the newsletter!

Featured every week on YouTube! Sit Back, Relax and Enjoy

HEY NOW...Welcome back for another installment of just a few of the moments that caught my one good eye in May. As always, the full moments of the month can be found on YouTube and TVRemix. Sit back and enjoy! ...See you next time.

Alright Ladies (and Gents too!) Dig out your stone washed jeans, Keds, and Aqua Net! Rick Springfield had the crowds singing, dancing, and even had some swooning during his 6 sets over 2 nights. Pop in your mixtape & take a peek at [THIS!](#)

Here is a "Think Outside the Park" moment. There is more to Disney with on property experiences that the average person would not know existed. Here is one of those adventures. Enjoy a horseback ride at Tri Circle D Ranch at Fort Wilderness!

This little guy...keeps us on our toes. Who would have ever thought he would give up time eating hay to perform for the crowds. He is not stage shy at all. I am sure the treats help! Check out Pongo and his Stage Show!

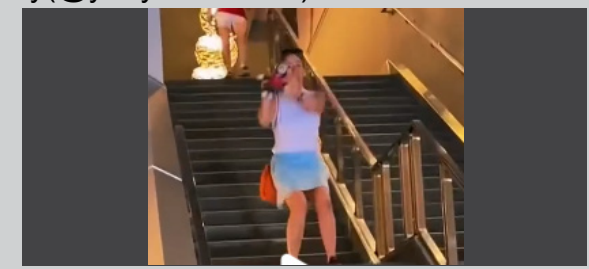

HONORABLE MENTIONS FOR MAY!

CONGRATS to you on reaching 550K followers!

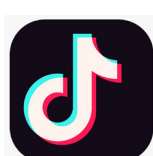

This Bromance is everything! Thanks to Yoey (@yoeyzacnchloe) for this Tik Tok Video!
